

A MARKETING PARTNERSHIP

Home Media Magazine is the leading brand in the \$24 billion home entertainment market. Each week we deliver the latest news, research, analysis, product information and reviews in the home video arena, with expanded coverage of DVD, Blu-ray Disc and digital distribution. Daily news is also posted at www.HomeMediaMagazine.com along with Web-exclusive opinions, event coverage and home entertainment trailers.

We Represent You

Every industry needs a strong and viable trade publication, both to promote the industry to the outside and to give a voice to those on the inside. We are your public face, your messenger. We cover our industry and nothing but our industry; we are all about the business of bringing entertainment to the consumer.

We Give You What You Need to Know

- » We provide you with the latest industry and product news, developments and trends.
- » We let you know what your competition is doing.
- » We give you exclusive market research that helps you analyze the present and strategize for the future.
- » We filter all the information that gets distributed each week and help make sense of it all – what’s important, what may impact your business and what you need to know, especially in the growing areas of high-definition, digital delivery and new technologies.

We Reinforce Your Sales Message

You might have a direct relationship with the key executives and buyers at Best Buy, Wal-Mart, Target Stores and the other big retail chains, but ads and stories in *Home Media Magazine* reinforce this message and give it extra weight and credibility. We also expose products your clients might not otherwise be aware of.

Sales executives typically push only a few titles in their meetings with big-chain buyers. And if a buyer sees and picks up just one title he learned about from our magazine, the extra sales could easily eclipse your entire ad budget.

We Deliver Your Message

Advertising in *Home Media Magazine* is the most effective and efficient way to deliver your sales message. The editorial component gives your sales message credibility, and ads have a much greater impact than they do in a catalog or distributor mailer — especially since we are tabloid size.

We Help You Generate Press

Home Media Magazine is read by hundreds of leading consumer media journalists, from *USA Today* and *The Wall Street Journal* to ABC and CNN. They use *Home Media Magazine* and its digital products as source material for their own stories. We reinforce your publicity message and give it credibility.

We Help You Reach Consumers

- » More than 700 key consumer media journalists around the country subscribe to *Home Media*.
- » Through our Web site, digital edition, daily e-newsletter and strategic partnerships with Home Theater Forum and other leading Web sites, we generate hundreds of thousands of consumer impressions each month.
- » Our editors are routinely interviewed on CNN, AP Television, the G4 Network, Starz Entertainment and other leading broadcast outlets, as well as key consumer media publications such as the *New York Times*, *New York Post*, *Entertainment Weekly* and *Los Angeles Times*.
- » We have a strong editorial relationship with *The Hollywood Reporter*, with pickup from the Reuters news service.

“The information I get from *Home Media Magazine’s* suite of products is indispensable.”

STANDARD TERMS & CONDITIONS

These Terms and Conditions ("Terms and Conditions") shall constitute a binding agreement between you ("Customer"), as the purchaser of services (the "Services") from Questex Media, Inc. ("Questex") and Questex, as the provider of Services. Questex will not be bound by any terms, conditions or provisions appearing on orders or instructions which conflict with provisions of these Standard Terms, including, without limitation, Customer sequential liability statements.

1. Customer Content. In the event Customer provides Questex with logos, trademarks, trade names, trade dress, images, photographs, graphics, text and illustrations (the "Customer's Content") in connection with Questex's development and/or provision of Services, the Customer's Content will remain the property of Customer. Customer hereby authorizes Questex to use the Customer's Content for the purposes of performing the Services.

2. Proposals. Any price quotation contained in a proposal for the provision of Services may be changed by Questex if such quotation is not accepted by Customer within thirty (30) days. Quotations are based on the accuracy of the specifications and information provided by the Customer. Questex may re-quote a proposal in the event information provided by Customer does not conform to the specifications or information on which Questex's original proposal was based. Services performed in addition to those proposed based upon the original specifications and information will be charged at prevailing rates.

3. Payments. Customer shall pay all invoices according to the payment terms noted in Questex's proposal. In the event the Customer acts as an agent and is procuring Services from Questex for a third party ("Customer's Client"), Customer agrees that both Customer and Customer's Client shall be jointly and severally liable. Payment of all invoices by the Customer to Questex according to the payment terms noted in Questex's proposal shall not be contingent upon payment by the Customer's Client to the Customer for Services provided by Questex for the Customer's Client. Agency commissions will be disallowed on all overdue invoices. Customer shall be responsible for reimbursing Questex for all authorized expenses incurred by Questex in connection with the provision of the Services. Customer shall pay any taxes arising from the Services (other than Taxes based upon Questex's income). Customer will pay Questex interest on any amount not paid within the payment terms noted in Questex's proposal at a rate of 1-1/2% per month or, if lower, the highest rate permitted by law. If payment is not made, Customer shall be liable for all collection costs incurred by Questex, including reasonable collection agency and attorney's fees. Customer shall be responsible for incurred costs and related obligations with respect to cancelled orders. An ad may be cancelled thirty (30) days prior to the issue's ad close date without penalty. Questex reserves the right to request full payment for ads cancelled less than thirty (30) days prior to ad close date. Questex has the right to hold and place a lien on any Customer property in Questex's possession as security for payment of any sums due from Customer to Questex.

4. Indemnifications. The Customer's Content shall not contain any matter that is defamatory, obscene or illegal or infringes the intellectual or other proprietary rights or violates the privacy rights of any party. Customer shall be solely liable for the Customer's Content, including without limitation obtaining any rights necessary for the use of any content in connection with the Services. Customer agrees to indemnify and hold Questex harmless from any and all loss, claim, damage, liability or other expense, including reasonable attorney's fees, which Questex or Questex's employees, agents or independent contractors may suffer or incur in the event any claim is brought by any person or entity for libel, slander, infringement of copyright or trademark or violation of privacy or any other rights, arising from or as a result of the Customer's Content. The indemnification contained in this paragraph shall survive the completion of the provision of the Services.

5. Confidentiality. Each of Customer and Questex agrees to keep confidential any confidential

or proprietary information of the other learned in the course of performing or receiving, as the case may be, the Services. Notwithstanding the foregoing, neither party will have any obligation of confidentiality for any information which (a) is public domain other than as a result of a breach of this provision, (b) is known or otherwise available to the receiving party prior to its disclosure by the disclosing party, (c) is developed independently by the receiving party, or (d) is provided to the receiving party on a non-confidential basis by an unrelated person who has the right to disclose it. During the period that Services are being performed hereunder, and for one (1) year following completion or termination of Services, Customer agrees that it will not employ or solicit for employment any employee of Questex or any of its affiliates, or any person who was employed by Questex or any of its affiliates during the six (6) month period prior to such solicitation, without the prior written consent of Questex.

6. Warranty and Limitation. Questex warrants that the Services shall be performed in a manner consistent with industry standards as reasonably applied to the performance of such Services and the specifications agreed to in writing by Questex and Customer. Questex's sole obligation in the event of a breach of this warranty shall be to correct or re-perform the affected Services at no additional charge to Customer or, at Questex's sole option, to return the amounts paid by Customer for the Services in dispute. In the event Customer fails to object to the quality of any Services within ten (10) days following delivery, such Services shall be deemed to be accepted and in compliance with Questex's obligations under this paragraph. THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER REPRESENTATIONS AND WARRANTIES WITH RESPECT TO THE SERVICES, EXPRESS OR IMPLIED, ARISING BY LAW OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTIES ARISING FROM TRADE USAGE, COURSE OF DEALING OR COURSE OF PERFORMANCE. QUESTEX WILL NOT BE HELD TO HAVE FAILED TO MEET ITS OBLIGATIONS HEREUNDER IF ANY DELAY IN PERFORMANCE OR FAILURE TO PERFORM IS THE RESULT OF ANY CAUSE BEYOND QUESTEX'S CONTROL. Customer's sole and exclusive remedy for claims against Questex shall be for breach of warranty and not for negligence or any other tort. In no event will Questex's aggregate liability for claims arising in connection with the Services exceed the total fees actually paid by Customer relating to such Services. Under no circumstances shall either Customer or Questex be liable to the other for any indirect, consequential, special, punitive or incidental damages, including, without limitation, lost sales, lost data, lost profits, interruption in the use or availability of data, or the cost of procuring substitute goods or services, even if it has been advised of the possibility of such damages.

7. Materials. Customer agrees to maintain copies of all files and materials provided to Questex. Questex is not responsible for accidental damage to media or materials supplied by Customer. Any alterations or repairs needed to utilize Customer-supplied materials will be charged to Customer at prevailing rates. Customer materials shall not be retained by Questex beyond one (1) year.

8. Suspension. Without prejudice to any other rights of Questex, Questex shall be entitled at any time to suspend or terminate the provision of Services, in each case upon reasonable prior notice, in the event (a) Customer commits a material or persistent breach of any of its obligations under
